

technical Rider

K.O.P.G.

required:

for announcements:

- microphone (e.g. SM58), stand, cable

for violins:

- 4 DI-boxes

for bass:

- bass amp (combo)

for drums:

- microphones: base, snare, overhead (for bigger venues: toms, hihat)

for all:

- mixer (plus reverb!)
- monitor
- PA
- 230V on the stage.

no Behringer equipment!

For smaller venues it is possible to place the PA on the back side of the stage.
In that case monitoring is not necessary.
